

2nd UKFN early career researcher event 8th April 2019 Timetable

Time	Event	Location
10:00 to 10:30	Registration	
10:30 to 11:00	Event Start/Icebreaker	
11:00 to 12:00	Talk Session 1	
	<u>Martin Nikiforidis</u> 'Mesmer-icing dynamics of ice nucleation' <i>University of Edinburgh</i>	
	<u>Prashant Agrawal</u> 'Dynamics of Leidenfrost rotors' <i>Northumbria University</i>	
	<u>Thomas Sykes</u> 'Mixing within Coalescing Droplets: Current Research & Emerging Applications' <i>University of Leeds</i>	
	<u>Bobby Clement</u> 'Centrifugally Induced Interfacial Instabilities in a circular domain' <i>University of Nottingham</i>	
12:00 to 13:00	Lunch/Poster Session 1	
13:00 to 14:15	Talk Session 2	
	<u>Robert Long</u> 'Local not global, boundary layer control of rotating convection systems' <i>University of Leeds</i>	DRY005 Dryden Building Nottingham Trent University City Campus
	<u>Evangelia Antonopoulou</u> 'Inkjet printing and Droplet Formation' <i>University of Leeds</i>	
	<u>Neeru Bala</u> 'Wetting boundaries for high density ratio ternary Lattice Boltzmann Model' <i>Northumbria University</i>	
	<u>Marina Efstratiou</u> 'Pattern Analysis during Evaporation of Sessile Drops of Salt and Urea Solutions' <i>University of Edinburgh</i>	
<u>James Rawlings</u> 'Exploring the physical gelation of clay colloids' <i>Nottingham Trent University</i>		
14:15 to 14:35	Workshop Session 1	
	<u>Judith McCann</u> 'Mythbusting: Fact and Fiction at EPSRC' EPSRC	
14:35 to 15:20	Refreshments/Poster Session 2	
15:20 to 16:00	Workshop Session 2	
	<u>Kate Cuthbert</u> 'HEA Fellowship Applications' <i>Nottingham Trent University</i>	
	<u>Kate Robbins</u> 'Careers Advice' <i>Nottingham Trent University</i>	
16:00 to 18:00	Social Event
